

REMARKS

The present amendment has been prepared in accordance with the latest instructions issued by the U.S. Patent And Trademark Office dated 1/31/03 which waives the provisions of 37 CFR

5 1.121(a), (b), (c) and (d).

In paragraph 2 of the office action, the examiner has reminded the applicants of the proper use of trademarks. Accordingly, line 23 of page 22 has been amended to properly use the trademarks "UNIX", "WINDOWS NT" and "S/390" correctly. It is  
10 believed that the other uses pointed out by the examiner are correct.

In paragraph 3 of the office action, the examiner has objected to the drawings. To correct the examiner's objections, the examiner's permission is requested to amend the drawings as shown  
15 in the attached replacement figures. The corrections to the drawings and amendments to the specification to correct errors to the drawings pointed out by the examiner are as follows:

3.A)(1)(a) Fig. 4, add H in PROGRAM SPACE 403 as shown and add A, B, C, and D in DATA SPACE 404 as shown;

20 3.A)(1)(b) Page 20, line 20 to page 21, line 16 amended;

3.A)(1)(c) Fig. 11b, add 1118 as shown;

3.A)(1)(d) Page 47, line 26 to page 48, line 2 amended;

3.A)(2) Page 41, lines 7-10 amended;

3.A)(3) Page 11, lines 11-12 and page 41, lines 7-10 amended;

25 3.A)(4) Fig. 12, add YES to the LAST APPL? decision block between 1207 and 1208 as shown.

In accordance with the new amendment procedure, replacement drawing sheets in compliance with § 1.84 are included herein which include the corrections. The drawings, if approved by the

examiner, are in condition for allowance, which allowance is respectfully requested.

In paragraph 4 of the office action, the examiner has objected to the specification because of informalities as follows:

- 5       A)  
          (1) page 1  
          B)  
          (1) page 34  
          (2) page 33  
10       C)  
          (1) page 11  
          (2) page 18  
          (3) page 22  
          (4) page 23  
15       (5) page 26  
          (6) page 35  
          (7) page 41  
          (8) page 43  
          (9) page 43  
20       (10) page 45  
          (11) page 45  
          (12) the specification lacks --We claim:--  
          D) page 41

25       The appropriate corrections to the specification have been made to correct the informalities objected to by the examiner. The corrections to the specification have been made in page number order. To correct 4.C)(12), "We claim:" has been added to page 50 at the beginning of the claims.

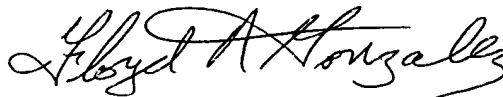

30       The specification as amended herein is now in condition for allowance, which allowance is respectfully requested.

A copy of all of the claims are included in the amendment, as required by the new amendment format. All of the claims are as originally presented with no amendments.

In paragraph 6 the examiner has indicated that the application is in condition for allowance except for the noted formal matters. In Paragraph 6.1 the examiner notes that prosecution on the merits is closed in accordance with the practice under *Ex Parte Quayle*, 1935 C.D. 11, 453 O.G. 213, which is acknowledged with thanks.

It is respectfully submitted that the formal matters pointed out by the examiner are now in condition for allowance, which allowance is respectfully requested.

RESPECTFULLY SUBMITTED
